Our Products

Our Product Range Includes:

- O-rings (metric & Inch)
- Flat Gaskets
- Custom Molded / Profile Rubber Seals
- Leak Testing Machines (pressure & Vacuum Type)
- Automation Fixtures.

Test Nozzles And Manifolds

Available In All Materials Like:

- NBR(Nitrile Butadiene Rubber)
- EPDM(Ethylene Propylene Diene Monomer Rubber)
- SILICONE
- VITON(FKM)
- PU(Polyurethane)
- Natural Rubber

Hardness Range: 40–90 Shore A

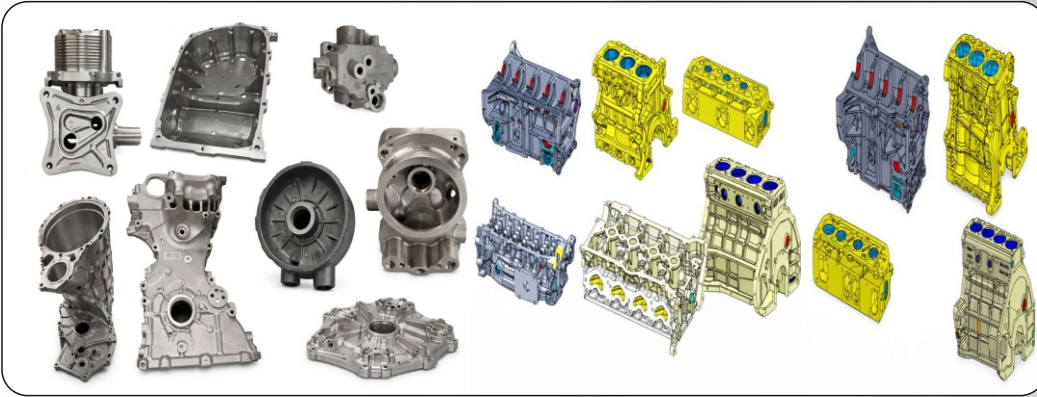

We Also Provide Technical Support For:

- Seal Material & Hardness Selection
- Fixture Groove Design Guidance
- Trial And Validation Support
- Regular Production And Spare Supply

Rubber Features:

- Long Lasting Life.
- Repeatability In Test Results.
- R & R Compatibility.

Applications

All Type Dies Manufacturing

Air Leak Test Automation Products

- Dry Type Leak Test Machines
- Wet Type Leak Test Machines
- Universal Leak Test Machines
- Flow Test Machines
- Helium Leak Test Machines
- Volumetric Test Machines
- Vacuum Leak Test Machines
- Rubber Seal For LTM Machines

Our Products Range

- Drilling & Tapping Machines.
- Special Purpose Machines.
- Assembly Line Manufacturer.
- Material Handling Automation.
- Performance ,Endurance ,durability test SPM Machines.
- Industrial Washing Machine.
- Laser Marking Machine.
- Pressing ,screwing Machines
- Vision Inspection Machines.
- Multi Gauging Automation.
